Account Description for Kasasa Cash Back® with Kasasa Saver®

Kasasa Cash Back is a non-interest bearing checking account with no minimum balance that rewards account holders with cash back on their debit card purchases and nationwide ATM fee refunds when they meet minimum qualifications during the account's Monthly Qualification Cycles.

Kasasa Saver is a variable rate, money market deposit account with no minimum balance that rewards account holders with interest when they meet the minimum qualifications associated with their linked Kasasa Cash Back checking account during each Monthly Qualification Cycle.

Eastern CT Savings Bank's Purpose & Expected Use:

The Kasasa Cash Back account that is linked to the Kasasa Saver account is intended to be the accountholder's primary checking account in which payroll transactions and day-to-day spending activities including but not limited to grocery, gasoline, apparel, shopping, dining, sporting and entertainment transactions are posted and settled.

Commensurate with the spending activities identified above, we expect the account's debit card to be used frequently throughout each month and for transaction amounts to reflect a wide dollar range. Small debitcard transactions conducted on the same day at a single merchant and/or multiple transactions made during a condensed time period particularly near the end of a Monthly Qualification Cycle *are not* considered normal, day-to-day spending behavior. For example, five debit card transactions, each for a dollar, conducted at a convenience store, two days before the end of the cycle period would not be considered by our institution as normal, day-to-day spending behavior. These types of transactions appear to be conducted with the sole purpose of qualifying for the account's rewards and thus will be deemed inappropriate transactions and will not count toward earning the account's rewards.

Eastern CT Savings Bank reserves the right to determine if the account is being maintained for a purpose other than day-to-day, primary use. Accountholders who persist in making debit card transactions in a calculated and limited fashion in order to meet their monthly qualifications may have their accounts converted to a different checking account or closed altogether. We also reserve the right to convert the account to a different checking account or close the account if the account does not have consistent active use over three [3] consecutive Statement Cycles. The linked Kasasa Saver account will also be closed if the Kasasa Cash Back account is converted or closed.

We have the right to close this account at any time, with proper notice. Our decision to close the account will not affect your existing obligations to us including any obligation to pay fees or charges incurred prior to termination. No deposits will be accepted and no checks will be paid after the account is closed. If the account is closed, you will forfeit any rewards that have not been credited to your account. An Eastern CT Savings Bank check for the remaining balance, if applicable, will be mailed to accountholder at the address indicated on our current records. Upon termination of your Kasasa Cash Back or Kasasa Saver account, any optional add-on products / services associated with this account will also be terminated at the same time.

Interest Rate & Annual Percentage Yield:

Interest will be compounded on a daily basis in your Kasasa Saver account. Interest will be credited to your Kasasa Saver account on the last day of the current Statement Cycle. If you close your Kasasa Saver account before the interest is credited, you will receive the accrued interest up to the day before your account is closed. Interest begins to accrue on the Business Day you deposit non cash items (for example, checks).

“Business Day” means a calendar day other than a Saturday or a Sunday or a U.S. federal holiday.

“Statement Cycle” means the period of time for which Eastern CT Savings Bank provides a summary of the financial activities and transactions that post and settle to the accountholder’s account. A Statement Cycle begins on the first business day of the month and ends on the last business day of the month.

We use the daily balance method to calculate the interest on your account. This method applies a periodic rate to the principal in the account each day for the period. The period we use is the Statement Cycle.

When your Kasasa Cash Back account qualifications are met during a Monthly Qualification Cycle, the interest rate paid on your Kasasa Saver account is based on two account balance tiers as follows:

Tier 1: An interest rate of 0.75% will be paid on the portion of your daily balance in your Kasasa Saver account that is less than or equal to \$100,000.00. The annual percentage yield for this tier is 0.75%.

Tier 2: An interest rate of 0.25% will be paid on the portion of your daily balance in your Kasasa Saver account that is greater than \$100,000.00. The annual percentage yield for this tier will range from 0.50% to 0.75%, depending on the balance in the account.

When your Kasasa Cash Back account qualifications are not met, the interest rate paid on the entire balance in your Kasasa Saver account will be 0.05% with an annual percentage yield of 0.05%.

APY = Annual Percentage Yield. APY calculations are based on an assumed total account balance of \$200,000.00. Rates and rewards are variable and at our discretion may change at any time after account is opened without notice to you. Fees may reduce earnings.

Account Qualifications:

To earn your Kasasa Cash Back and Kasasa Saver rewards just do the following transactions and activities in your Kasasa Cash Back account during each Monthly Qualification Cycle as defined below:

- Have at least twelve (12) qualifying debit card purchases post and settle (this happens when your account is debited for the transaction)
- Be enrolled in and agree to receive e-Statements
- One or more Direct Deposit or Automatic Debit (ACH) post and settle. Intra –bank transfers do not count as qualifying Direct Deposit or Automatic Payment

IT IS IMPORTANT TO REMEMBER THAT QUALIFYING DEBIT CARD PURCHASE TRANSACTIONS MAY TAKE ONE (1) OR MORE BUSINESS DAYS FROM THE DATE THE TRANSACTION OCCURRED TO POST AND SETTLE TO THE ACCOUNT. POSTING AND SETTLEMENT HAPPEN WHEN A QUALIFYING DEBIT CARD PURCHASE TRANSACTION IS DEBITED TO THE ACCOUNT. QUALIFYING DEBIT CARD PURCHASE TRANSACTIONS MUST POST AND SETTLE TO YOUR ACCOUNT DURING A MONTHLY QUALIFICATION CYCLE TO QUALIFY FOR THE ACCOUNT’S REWARDS FOR THAT CYCLE. USE ONLINE BANKING TO LOG IN TO YOUR ACCOUNT TO FIND OUT IN REAL TIME WHEN A QUALIFYING DEBIT CARD PURCHASE TRANSACTION HAS POSTED AND SETTLED TO YOUR ACCOUNT.

The following activities do not count toward earning account rewards:

ATM-processed transactions, transfers between accounts, debit card purchases processed by merchants and received by our bank as ATM transactions, non-retail payment transactions and purchases made with debit cards not issued by our bank. Transactions bundled together by merchants and received by our institution as a single transaction count as a single transaction for the purpose of earning account rewards.
